

# Certificate of Approval

This is to certify that the Management System of:

## Victor Buyck Steel Construction N.V.

Pokmoere 4, 9900 Eeklo, Belgium

has been approved by LRQA to the following standards:

### National Highways Sector Scheme 19A, National Highways Sector Scheme 20

Approval number(s): NHSS 19a – 0009957, NHSS 20 – 0009956

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

#### The scope of this approval is applicable to:

The corrosion protection of ferrous materials by industrial coatings in a workshop (industrial coatings application, abrasive blast cleaning, paint spraying and thermal metal spraying) and site works (industrial coatings application, abrasive blast cleaning and paint spraying) in accordance with the National Highway Sector Scheme 19A.

The design, execution and refurbishment of steelwork for steel structures in a workshop and on-site in accordance with the National Highway Sector Scheme 20.

David Derrick

Regional Director, UKAM

Issued by: LRQA Limited
